Welcome to the 12th Annual Emirates Cardiac Society Conference!

Dear Colleagues,

It gives us a great pleasure to invite you to participate in the **12th Annual Emirates Cardiac Society Conference in joint collaboration with the American Heart Association (AHA)** to be held at Intercontinental Hotel, Dubai, United Arab Emirates on Thursday, October 7 to Saturday, October 9, 2021. The conference is taking place in a hybrid format, offering many exciting possibilities to grow your network, transfer knowledge and explore the latest industry developments.

Building on your contribution to the success of the past editions of the Emirates Cardiac Society meetings, we are confident that our comprehensive program tapping a range of contemporary topics in cardiology and featuring eminent regional and international experts in the field will deliver a high caliber conference experience.

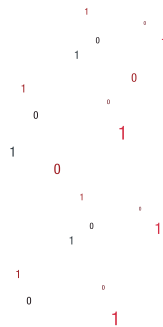

This event is one of the premier cardiology conferences in the region with more than 1200 expected delegates attending from different parts of the Middle East and GCC. With the option of going virtual, we aim to establish a stronger connection with the cardiovascular community from anywhere around the world.

Together with the American Heart Association, we share the commitment to see a world free of cardiovascular diseases through education, research and quality patient care. We hope that you will join us as we rise to the challenges and opportunities of a new decade, bringing innovation and optimizing cardiovascular care and outcomes.

On behalf of the conference committee.

Sincerely,

Abdulmajeed Al Zubaidi, MD, MBCh
Consultant Interventional Cardiologist
President, Emirates Cardiac Society
Abu Dhabi, United Arab Emirates
