ACC MIDDLE EAST 2022 TOGETHER WITH 13TH EMIRATES CARDIAC SOCIETY CONGRESS

INTERCONTINENTAL HOTEL
DUBAI
UAE

7 - 9 OCTOBER, 2022

TRANSFORMING GLOBAL HEALTH TOGETHER

The overall goal of this congress is to examine emerging trends and evidence-based strategies as well as contemporary best practices resulting in guideline-driven, practical cardiovascular prevention and management for patients with cardiovascular disease.

ACCREDITATION

Accreditation is sought from the European Board for Accreditation of Continuing Education for Health Professionals (EBAC®) & Dubai Health Authority (DHA).

EDUCATIONAL OBJECTIVES

- **Challenge the norm:** Discuss, share and critique the latest in cardiovascular prevention and care with **GLOBAL EXPERTS** in an intimate and interactive setting.
- **Lead the way: LOCAL LEARNING** designed to empower you to transform your community through educational topics such as the recently released hypertension guidelines and top clinical trials to change your practice as well as the latest in acute coronary syndrome, heart failure, valvular disease, arrhythmia and prevention.
- **Power your mind:** Find **PRACTICAL SOLUTIONS** for everyday problems by using real-world approaches to guideline-driven care. Participant driven sessions will challenge your knowledge in areas such as ECG and imaging interpretation.
- **Ignite conversation:** The congress provides a platform for **CREATING CONNECTIONS** and networking with faculty and colleagues offering shared discussion and bi-directional learning.
- **PLUS:** Become an ACC International Associate member or if you're already an ACC member, get access to one of ACC's premier educational products.

MOVE INTO AN ERA OF GLOBAL COLLABORATION

Dear Colleagues,

It gives us great pleasure to invite you to participate in the **ACC Middle East 2022 Together With 13th Emirates Cardiac Society Congress** to be held at **Intercontinental Hotel, Dubai, United Arab Emirates on 7 - 9 October, 2022.**

United by our shared commitment of transforming cardiovascular care, the **American College of Cardiology (ACC)** and the **Emirates Cardiac Society** invite you to join us for an innovative educational experience that will strengthen your everyday practice. **ACC Middle East 2022 together with 13th Emirates Cardiac Society Congress** is designed to deliver an engaging forum to critically examine evidence-based strategies as well as contemporary best practices and clinical decision-making to reach our common objective of improving heart health of patients with cardiovascular disease.

The congress is one of the largest cardiology congresses in the region with more than 1000 expected delegates attending from around the Middle East and GCC. Building on your contribution to the success of the past editions of the Emirates Cardiac Society meetings, we are confident that our comprehensive program tapping a wide range of contemporary topics in cardiology, featuring eminent regional and international experts in the field, will deliver a high caliber congress experience. Delegates can choose activities relevant to their practice amongst the lectures, pre-congress activities, experience hands-on training, interactive case discussions, and more. Moreover, it provides a venue for companies to connect with attendees and showcase the latest industry developments.

We hope that you join us in our vision of transforming global health as we rise to the challenges and opportunities of a new decade, bringing innovation and optimizing cardiovascular care and outcomes.

On behalf of the **Emirates Cardiac Society** and **American College of Cardiology.**

Sincerely,

Juwairia AlAli
