

This is brought to you to advance cardiology in Africa

INVITATION TO APPLY
World Heart Grant
Applications Deadline: 31 May 2024

Dear Valued Members,

We are pleased to announce that the **World Heart Grants 2024** are now open for applications for the following categories:

- **Category 1:** Projects that celebrate **World Heart Day 2024**.
- **Category 2:** Projects that raise awareness about the link between **air pollution and cardiovascular disease**.
- **Category 3:** Projects that aim to prevent **tobacco use and consumption among youth**.

We are delighted to inform you that we have once again partnered with the [Swedish Heart Lung Foundation](#) to provide funding for projects in categories 2 and 3. Please note that grants under these two categories are restricted to WHF Member organizations based in [low, lower-middle, and upper-middle income countries](#).

How to apply

Create your user account on the new [MyWHF portal](#) and manage your grant application in the [dedicated section](#). Learn more about the application requirements, selection criteria and FAQs [here](#).

Should you have any questions about the World Heart Grants or the application process, please email us at membership@worldheart.org
