## AfricaPCR

The practical interventional cardiology Course for  
Africa's future

# JOIN US!

3-4 March 2023 Johannesburg

#AfricaPCR

### Prepare to get back together in Johannesburg on 3 - 4 March for #AfricaPCR 2023!

This Course aims to focus on the continent's most prevalent issues while addressing the specific educational needs of each region.

PCR's Essentials and Applied sessions provide practical tools and advice for practitioners, enabling cathlab teams to work together in a joint educational initiative.

### Registration

At Africa PCR, participants will be able to: attend all scientific sessions, access the exhibition area, and Training Village & enjoy the lunch and coffee breaks provided.

Early Bird Registration Fees - Closes 3 February

<input type="radio"/> Physician - Early Bird (ZAR)	AMOUNT 9,780.00
<input type="radio"/> Industry Representative - Early Bird (ZAR)	AMOUNT 17,600.00
