

INVITATION TO ATTEND

This information is brought to you by PASCAR to advance cardiology in Africa

GLOBAL HEART FORUM WEBINAR SERIES

2 August 2022 | 15:00- 16:30 CET

Sharing Clinical Experiences with Cardiovascular Communities,
Cardiac Anaesthetists & Intensive Care Physicians around the Globe

Topic:
Advanced Anaesthesia & Intensive Care

OBJECTIVES

- ✓ To share clinical experiences in intra- and postoperative monitoring of cerebral functions.
- ✓ To discuss the role of echocardiographic assessment of cardiac functions pre and post revascularisation and valve repair.
- ✓ To review clinical variants of moderate to high-risk patients requiring intra- and postoperative cardiopulmonary support.
