**PEN-Plus Strategy at the WHO AFRO Resolution**

Dear valued PASCAR member,

Re: Support the WHO/AFRO Resolution to Adopt a Regional PEN-Plus Strategy to Address Severe NCDs

The adoption of a regional PEN-Plus strategy for the African Region is on the agenda at the 72nd Regional Committee for Africa (RC72) in Togo from 22-28 August 2022!

As promised, our Social Media Tool Kit is finished, translated and ready to be put into action!

We invite you to help us support this agenda item and promote PEN-Plus leading up to the meetings!

You can find more information on RC72 and the CALL TO ACTION here.

Let us know if you have any questions! And please share any other creative ideas on how you or your National Commission would like to engage. We would love to hear from you.

Very best,

**Maia Olsen,**  
**on behalf of the PEN-Plus**
